Open comments + add others

Possibility to upload a up to 1Mega concise position paper (will be published together with the answers.

- Consultation of simplifications of funding mechanism for FP9

Some of you may also have received a questionnaire about further simplification of funding mechanisms with agreed lump sums with a goal to reach but more flexible usage of the funds within the project

Interesting to have here the opinion of our community on pros and cons of this approach ?

TOPIC : Integrating Activities for Advanced Communities (2019)

(b) 2019 deadline

The areas to be addressed under the different domains will be defined at a later stage, before the opening of the related call.

- Commission to come together in June 2018 with final decision, after it is known if SYNTHESYS + is funded, if DiSSCo and LTER make it on the roadmap 2018.
- Several countries suggested that Natural Heritage is added to the Cultural Heritage call opening in 2019, some wanted a decision on this already this months, while others wanted to see this as a Plan B, others abstained

See <http://www.iperionch.eu/> (more or less the Cultural Heritage SYNTHESYS ..
